

Paper Application Tape

HIGH TACK PLUS

PRODUCT DESCRIPTION High Tack Plus application tape is a standard weight saturated paper coated with a high tack latex adhesive, designed specifically for the transfer and application of small-and medium-sized cutting vinyls and printed graphics. This application tape features a technology which ensures improved adhesion to both craft and filmic backing liner.

FEATURES High Tack Plus application tape performs for both wet or dry applications, without leaving any adhesive residue. The application tape removes effortlessly once the cutting vinyl or printed graphic is applied on the final surface.
