

KEY FEATURES

- Signature model – Gives you access to the superior ROLLSROLLER production method
- Low cost - fast set up - easy to handle – GREAT VALUE
- ROLLSROLLER quality
- Ergonomic traverse ROLLSROLLER
- Lots of space for storage
- Optimized media holder on bed end.

ROLLSROLLER SIGNATURE is our newest member that gives you access to the ROLLSROLLER production method.

It comes flat packed for access to any sign shop environment.

With a low investment cost, quick installation and easy operation, it gives you all the conditions to produce quality products and profitable sign making for many years. The optimized media holder on the bed end allows the operator to facilitate all four sides of the table and also for storage of vinyl etc.
