

Watch out for the highlights of our new collection 2023-2025!

The new collection includes: Films for Exterior use, special effect films like Chameleon and Chrom, real Cork, a much bigger choice of Matt Colour, premium products with Real Fabric and Synchro Wood which appears even more authentic due to 100% synchronicity of print and embossing.

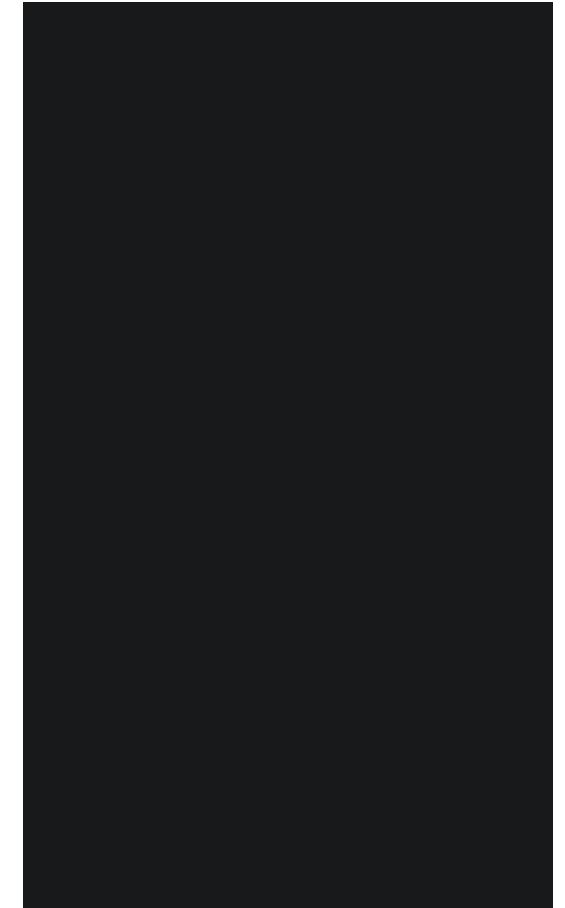

With our self-adhesive wall and furniture films from Newdeco, you can instantly give your business premises or furniture a new look. Our films are suitable for a wide range of applications and surfaces - wood, plastic or metal furniture surfaces, concrete, painted walls etc.: Basically all smooth surfaces can be changed in terms of appearance and texture. The high degree of flexibility allows 3D application.

Thanks to our wide range of motifs and surface textures, you can realize your creative ideas quickly and easily without having to buy new furniture. Your furniture or room will immediately shine with a fresh, new look!
