Scotch®
Brand

Multipack Tapes

Save time, money and waste while improving the appearance of packaging with The Multipack Solution. Scotch® Multipack Tapes are an economical and sustainable alternative to shrink films, banding, boxes and bags. These transparent tapes are strong yet clean-removing so they will not damage primary package graphics. Tapes can be custom printed for brand or promotional messages, and can be applied manually or automatically.

*Multipack Tapes are currently not available in EMEA.
Reach out to local packaging sales rep for information.

Box Sealing Tapes

Cost Effective Box Sealing Tapes

Product	Tensile Strength (N/cm)	Tape Structure (Backing/Adhesive)	Backing Thickness (mm)	Total Thickness (mm)	Adhesion to Steel (N/cm)	Elongation (%)	Available Colors/Comments
 305	40 (AFERA 4004)	BOPP / Acrylic	0.025 (AFERA 4006)	0.043 (AFERA 4006)	2.9 (AFERA 4001)	145 (AFERA 4005)	Clear, Tan. General purpose packaging tape used for noncritical box sealing applications. This construction provides a good closure for lightweight boxes exposed to minimal distribution hazards. Low Noise. Produced according to BRC Standard, intended for secondary food packaging. Available in manual length.
 369	47 (AFERA 5004)	BOPP/Hot melt	0.025	0.041 (AFERA 5006)	4.2 (AFERA 5001)	162 (AFERA 5004)	Clear, Tan. Cost-effective general purpose box sealing tape designed for use on lightweight envelopes, mailers and non-critical box sealing applications. Produced according to BRC Standard, intended for secondary food packaging*. Available in manual and system length.

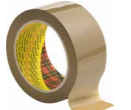

General Purpose Box Sealing Tapes

Product	Tensile Strength (N/cm)	Tape Structure (Backing/Adhesive)	Backing Thickness (mm)	Total Thickness (mm)	Adhesion to Steel (N/cm)	Elongation (%)	Available Colors/Comments
 371	53 (AFERA 5004)	BOPP/Hot melt	0.028	0.045 (AFERA 5006)	4.7 (AFERA 5001)	165 (AFERA 5004)	Clear, Tan, White, Blue, Red. General purpose box sealing tape designed to securely close a wide variety of lightweight box and carton materials, including corrugated fibreboard. Produced according to BRC Standard, intended for secondary food packaging*. Available in manual and system length.
 309	50 (AFERA 4004)	BOPP/Acrylic	0.028 (AFERA 4006)	0.05 (AFERA 4006)	2.6 (AFERA 4001)	160 (AFERA 4005)	Clear, Tan, White. Low noise general purpose box sealing tape suitable for lightweight packaging specifically in the general industry, food and beverage, and cold temperature applications. Produced according to BRC Standard, intended for secondary food packaging. Available in manual and system length.
 6890	57 (AFERA 5004)	PVC/Solvent	0.032	0.051 (AFERA 5006)	2.2 (AFERA 5001)	70 (AFERA 5004)	Clear, Tan, White. Performance low noise box sealing tape suitable for box sealing, combining, attaching, heat shrink sealing and bundling lightweight packages. Available in manual and system length.
NEW  311+	39.3 (ASTM D-3759)	BOPP/Acrylic	0.028 (ASTM D-3652)	0.05 (ASTM D-3652)	2.7 (ASTM D-3330)	150 (ASTM D-3759)	Clear. An industrial packaging tape for box sealing, splicing and recoupage on light to medium weight boxes. The product offers good performance over broad temperature ranges; specifically, in colder and damper applications; and adheres to recycled fiber board. It can be applied at freezer and refrigeration temperatures of -6.6°C to 10°C (20°F to 50°F). Produced according to BRC Standard, intended for secondary food packaging. Available in manual and system length.

* Not all items are certified. Please contact your 3M Sales Rep for details.

Box Sealing Tapes – Continued

Heavy Duty & Special Requirements Box Sealing Tapes

Product	Tensile Strength (N/cm)	Tape Structure (Backing/Adhesive)	Backing Thickness (mm)	Total Thickness (mm)	Adhesion to Steel (N/cm)	Elongation (%)	Available Colors/Comments
 3739	47 (AFERA 5004)	BOPP/Hot melt	0.035	0.054 (AFERA 5006)	4.4 (AFERA 5001)	165 (AFERA 5004)	Clear, Tan, White. A performance box sealing tape designed for re-sealing and packaging of medium- to heavy-weight of valuable goods. It resists splitting when subjected to rough handling and absorbs impact shock. Produced according to BRC Standard, intended for secondary food packaging. Available in manual and system length.
 375E	80 (AFERA 5004)	BOPP/Hot melt	0.05	0.073 (AFERA 5006)	6 (AFERA 5001)	140 (AFERA 5004)	Clear, Tan. High performance box sealing tape mainly used for single strip closure of fibreboard boxes, re-sealing and packaging of heavy weight of valuable goods. Resists splitting when subjected to rough handling and absorbs impact shock. Produced according to BRC Standard, intended for secondary food packaging. Available in manual and system length.
 313	61.3 (ASTM D-3759)	BOPP/Acrylic	0.041 (ASTM D-3652)	0.065 (ASTM D-3652)	3.5 (ASTM D-3330)	125 (ASTM D-3759)	Clear, Tan. General purpose low noise box sealing tape suitable for light- to medium-weight packaging applications. Designed for easy handling and smooth dispensing. Produced according to BRC Standard, intended for secondary food packaging. Available in manual and system length. Printable.
 3705	73 (AFERA 5004)	BOPP/Solvent	0.049	0.073 (AFERA 5006)	2.5 (AFERA 5001)	180 (AFERA 5004)	Clear. A performance box sealing tape. Resists splitting when subjected to rough handling and absorbs impact shock. Available in manual and system length.
 3707	55 (AFERA 5004)	BOPP/Solvent	0.035	0.055 (AFERA 5006)	0.8 (AFERA 5001)	155 (AFERA 5004)	Clear, Tan. A performance box sealing tape. Resists splitting when subjected to rough handling and absorbs impact shock. Available in manual length.
 6893	65 (AFERA 4004)	PVC/Solvent	0.037	0.057 (AFERA 4006)	2.7 (AFERA 4001)	75 (AFERA 4005)	Red. A performance tape, offering low noise unwind. Available in manual and system length.
 355	117 (ASTM D-3759)	Polyester/Hot melt	0.051 (ASTM D-3652)	0.9 (ASTM D-3652)	8.5 (ASTM D-3330)	130 (ASTM D-3759)	Clear. Superior performance packaging tape used for box sealing, splicing, recooperage and other demanding packaging applications. This product has a strong abrasion resistant backing and a very consistent pressure sensitive hot melt adhesive system available. Available in manual length.
NEW  375+	61.3 (ASTM D-3759)	BOPP / Hot melt	0.051 (ASTM D-3652)	0.079 (ASTM D-3652)	6.02 (ASTM D-3330)	160 (ASTM D-3759)	Clear. This construction provides ten times the tack level than current packaging tapes and is made with a 10% renewable component adhesive.

Manual Dispensers

Product	Product Description	Maximum Tape Width
 H180	Hand-Held Box Sealing Tape Dispenser. Portable and easy-to-operate pistol grip dispenser. Available in 2 designs with different packaging configurations: White neutral box & 3M single box	50 mm
 H183	Hand-Held Box Sealing Tape Dispenser. Portable and easy-to-operate pistol grip dispenser.	75 mm
 H150	Box Sealing Tape Dispenser designed to reduce the noise of tape unwind during application.	50 mm
 H153	Box Sealing Tape Dispenser designed to reduce the noise of tape unwind during application.	75 mm
 D250	Metallic Hand Held Box Sealing Tape Dispenser. The special construction in two shells allows a perfect total enclosure guaranteeing the maximum level of safety while performing clean and perfect transverse cut of the tape. Portable and easy-to-operate. Color orange. Maximum allowable length 66m.	50 mm
 T11756	Durable Box Sealing Tape Hand Dispenser for centre seam sealing of regular boxes. Uses Scotch® box sealing tapes (Scotch 371) up to 132 m length. Max roll outer diameter is 140 mm.	50 mm
 H10	Light Duty Box Sealing Tape Hand-held Dispenser. Durable, lightweight plastic tape dispenser. Suitable also for filament tapes.	25 mm
 H128	Heavy-duty, Box Sealing Tape Metal Dispenser. Very convenient for dispensing PET tapes 355 and 3500. Also commonly used to dispense filament tapes 8959 and 890.	50 mm

Carry Handles

Whether pre-applied on the manufacturing floor or in-store at checkout, 3M™ Carry Handles give consumers the convenience and confidence to purchase your products. You can even customize them with brand messaging and offers – printed where consumers can't miss them. Available in padded, and in-line formats.

Multipack Tapes

Save time, money and waste while improving the appearance of packaging with The Multipack Solution. Scotch® Multipack Tapes are an economical and sustainable alternative to shrink films, banding, boxes and bags. These transparent tapes are strong yet clean-removing so they will not damage primary package graphics. Tapes can be custom printed for brand or promotional messages, and can be applied manually or automatically.

*Multipack Tapes are currently not available in EMEA. Reach out to local packaging sales rep for information.

Product use: All statements, technical information and recommendations contained in this document are based upon tests or experience that 3M believes are reliable. However, many factors beyond 3M's control can affect the use and performance of a 3M product in a particular application, including the conditions under which the product is used and the time and environmental conditions in which the product is expected to perform. Since these factors are uniquely within the user's knowledge and control, it is essential that the user evaluate the 3M product to determine whether it is fit for a particular purpose and suitable for the user's method of application.

Warranty and Limited Remedy: 3M warrants that each 3M product meets the applicable specifications at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE. User is responsible for determining whether the 3M product is fit for a particular purpose and suitable for user's application. If the 3M product is defective, your exclusive remedy and 3M's and seller's sole obligation will be, at 3M's option, to repair or replace the product or refund the purchase price.

Limitation of Liability: Except where prohibited by law, 3M and seller will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.
