

Ecorz White

Description

Recycled paper for a renewed story.

Ecorz White is an uncoated, recycled paper that reveals plant fragments. It embodies a fusion of sensory exploration and sustainability, where each exposed flake of plant material tells a story of renewal. Suitable for common printing techniques and converting processes, it provides a canvas for artistic expression while demonstrating a commitment to a greener, more inspiring world.

Technical specifications

Substance	gsm	120	240	350	NF EN ISO 536
